

March 27, 1973

need an emergency clause on 336A and if we can get it done now, he can still do it this afternoon and get it back so we can have it on Final Reading for Thursday morning, and I was wondering if I might make a motion to return it to Select File for a specific amendment at this particular time.

PRESIDENT: 336A.

SENATOR DUIS: It is for the 29th for Final Reading.

PRESIDENT: OK. I see where it is. Very good.

SENATOR DUIS: I would move that 336A be sent back to Select File for a specific amendment to add the emergency clause.

PRESIDENT: Senator Duis asking for permission to return 336A to Select File to add...for a specific amendment, that would be to add the emergency clause. All those in favor vote aye. All those opposed vote no. We are voting to return LB 336A to Select File for a specific amendment, that would be to add the emergency clause, which apparently is needed. Senator Duis does need 25 votes in order to do that. Thank you. The clerk will record.

CLERK: 28 ayes, Mr. President, on the motion to return.

PRESIDENT: The bill is returned.

SENATOR DUIS: Mr. President, then I ask the emergency clause be attached to Select File and advanced to E & R for engrossing and expedited, please.

PRESIDENT: Very good. Senator Duis is asking now for the emergency clause to be attached to 336A on Select File. All those in favor of the motion vote aye. Those opposed vote no. You are voting to put the emergency clause on 336A on Select File and readvance...OK. The clerk will record.

CLERK: 28 ayes, Mr. President.

PRESIDENT: So ordered. The emergency clause is attached. Now...

SENATOR DUIS: Mr. President, then I ask that it be advanced to E & R for engrossing and expedited.

PRESIDENT: Very good. Senator Duis is asking 336A, now with the emergency clause attached, to be readvanced to E & R for engrossing. All those in favor of the motion say aye. Those opposed say no. So ordered. The bill as amended is advanced. Now, we are going to revert back to LB 435 which is Senator Nore's bill which he bypassed this morning for lack of a letter, and so we will take up 435 at this time. Did we read the title?

SENATOR NORE: Yes.

PRESIDENT: All right, do we have other amendments or are there amendments on the bill?

CLERK: None.

PRESIDENT: Very good. Senator Nore, down to you then.

SENATOR NORE: Mr. President, I move that LB 435 be advanced to General File. Now in explanation, 435 is only setting up the date of a caucus for school election which must be 70 days previous to the election. On this LB 435, there is only one school in the state of Nebraska that has a geographical area in Class 3 school that lies within the next Class. This includes Westside at Omaha. And I am not going to take up most...only the most important parts of this to show you what the...Number 1. The word "legal" has been stricken and
